

LINHA **COMPONENTES**

SUA OBRA MERECE

UMA NOVA LINHA. UM NOVO MOMENTO.

A AL Indústria amplia seu portfólio e traz novas soluções para o mercado de esquadrias com a Linha Componentes.

A Linha Componentes combina tecnologia e qualidade em produtos desenvolvidos para atender às necessidades do mercado. E, como não poderia ser diferente, o grande destaque está na inovação que já faz parte do DNA da AL: O POLÍMERO

O polímero transformou nossa história e trajetória, e agora chega também no mercado de esquadrias, levando versatilidade para os profissionais do setor.

A AL Indústria evolui, amplia seu portfólio e abre um novo caminho.

Linha Componentes. A inovação do polímero continua.
